August 1, 2011

It is with great enthusiasm that we kickoff the 2011 – 2012 Athletic Year. The class of 2011 left big foot prints in Wildcat Country and this years' class will look to continue on with the success of the teams that have come before them.

The Warwick Valley Central School District supports 25 varsity teams and two club teams as well as two season of Cheer. Most programs include a junior varsity team and many include a modified program (middle school teams). The freshman athletic program was lost for the 2011 – 2012 school year as a result of district budget issues.

Over 1500 Warwick Valley Student - Athletes grades 7 – 12 participated in one or more teams in the 2010 – 2011 school year and participation is on the rise in Wildcat Country. Our teams compete in the Orange County League of Section 9 as a “AA” school, as a member of Division II (league) with schools of similar size (Washingtonville, Minisink, Valley Central and in some cases Roosevelt Hyde Park).

Fall Sports Begin on August 22 for the Varsity and Junior Varsity (Football on August 15th) and the middle school program will begin on or about the second day of school. We look forward to an exciting school year on the athletic fields and courts and look forward to seeing you throughout the year.

Tradition Never Graduates

Gregory Sirico (Class of 1985)
