

WARWICK VALLEY CENTRAL SCHOOL DISTRICT

Parent/Guardian User Guidelines and Agreement for the SchoolTool Parent Portal

The Warwick Valley Central School District's SchoolTool Parent Portal is a free service offered to all parents and legal guardians of students actively enrolled in one or more of the District's schools. It is a protected Internet site that allows the viewing of their student's school information. The intention of this access is to enhance communication and dialog between school and home.

Access to SchoolTool Parent Portal is a privilege. The accuracy of information contained within the system is a joint responsibility between schools and parents/guardians. If inaccurate information is noticed, it is expected that parents/guardians will notify the school immediately.

Parents/guardians are required to adhere to the following guidelines:

1. Parents/guardians will act in a responsible, ethical, and legal manner.
2. Parents/guardians will not attempt to harm or alter data, networks, or systems.
3. Parents/guardians will not attempt to access another's account or use the system in any way that may be illegal or in violation of Federal and State privacy laws.
4. Parents/guardians are responsible for protecting their passwords and are prohibited from sharing them with unauthorized users.
5. Parents/guardians will not set their computer to automatically log in to the site.
6. Parents/guardians are expected to report security issues or questions as well as any inaccurate information immediately to their student's school.

SchoolTool Parent Portal accounts are managed in cooperation with parents/guardians and the schools. Their accounts are based upon the email address provided. If an email address of a parent/guardian changes, a new form needs to be submitted at your student's school, in person and includes showing proper identification. In general, accounts may take up to ten (10) business days to be completed. Parents/guardians will be notified via email.

If you have questions after you have received your electronic communication from the District, please direct them to Larry Berger, Director of Technology at lberger@wvcsd.org.

Thank you!
