

February 3, 2010

Dear Parent/Guardian:

The Warwick Valley High School Counselors would like to invite 9th and 11th grade parents to attend their child's course selection conference. Specific information that pertains to your student's individual circumstances will be addressed, including the following:

1. Graduation requirements
2. Course selections for the upcoming school year
3. Post High School Planning

Students will be attending an assembly on February 24, 2010 to review general information regarding graduation requirements. At that time they will also be given a copy of the course selection form and the course-offering list for the 2010-11 school year. Curriculum handbooks that contain descriptions of the courses are available on the high school website www.warwickvalleyschools.com under the Guidance section. Printed copies are available in the Counseling office to anyone who does not have internet access.

Please call the High School Counseling office at (845) 987-3050, ext 2070 to schedule your appointment with your child's counselor by Friday, February 26th. After that date an appointment will be scheduled for you and your child at whatever time is available. Parents are also welcomed to participate by phone.

We are excited about having the parents be a part of this important process and look forward to meeting with you.

Sincerely,

WVHS Guidance
