

Warwick Valley Middle School PTA

Dear Middle School parents and families:

As we enter the 2020-2021 school year, the Warwick Valley Middle School students, teachers and staff will be faced with challenges that are unique and unprecedented as many families are facing challenges of their own. We do know one thing, that we all plan to work tirelessly to give the middle school students a safe and inspiring environment to learn and grow, sharing the common goal of helping our children reach their full potential.

The PTA has a long history of helping parents get involved in their children's school, and in pressing times with unexpected budget gaps, your PTA becomes an even more integral part of your child's education. We are still hoping that events like assemblies, field trips, family events, safe social gatherings, cultural events, club sponsorships, and dances will still take place in the latter part of the year. Funds for new costs, such as classroom equipment and teacher supplies to implement new and creative ways in learning, will be needed more than ever. We invite you to join our PTA family in making these opportunities a reality for our children. There are numerous ways throughout the year for you to get involved and enhance the educational experience of your children.

Please add your name to our mailing list so you can receive our email blasts to keep informed on what's going on. To get Remind text updates enter 81010 and text the message @wvmspta. Once we establish our PTA meeting times for the year, they will be posted on the district website. We plan on holding online meetings with the hopes of them resuming in person as the year progresses. We will be sharing our plans for the year at our meetings, so we hope you can attend. Let's work together to ensure that every child's potential becomes a reality!

Sincerely,

Erica Grundfast & Lisa Lupkovich, Co-Presidents, and the Warwick Valley Middle School PTA Board
